INDEX TO VOLUME XI....NEW SERIES.

DIRECTIONS.—Seek the title, first under *a*, *an*, or *the*; if not found there, refer to the subject, by some prominent word in the title. When a page has been misprinted in the volume it is enclosed in [] brackets, the true page following it. For articles in letter form, see *letters*. The * star preceding any given page, indicates that it refers to the *subject* under the *News Department*, or to some article with a different *title* from that given in the index—in some cases without a *title*.
